Re: Letter of Support – Steve L. McDaniel

Dear Ms. Davis,

Please accept this letter as full support and endorsement of the entire membership of the Capital District NYSBOC. It is with great pleasure and honor that we endorse Mr. Steve McDaniel for the position of Director at Large of the ICC Board of Directors.

Steve has served as our state president and has been a driving force for Code Development of NYSBOC members. Repeatedly Steven has proven his leadership and loyalty to our cause. His tireless efforts and numerous hours to educate and advise on the past and current code cycles have made NYS one of the leaders in code development.

Mr. McDaniel has shown his commitment to the building codes profession and to the ICC through his service and devoted his efforts to moving the ICC forward in meeting the challenges of ensuring building safety.

You will find Steve to dive head first into projects and achieve results. It is an honor for our Chapter of NYSBOC to have someone carry on the hard work and efforts to continue ICC to be the leaders in Code Development and Building safety.

Thank you for your consideration of our letter of endorsement for Mr. Steve McDaniel. If I can be of any further assistance, please feel free to contact me.

Respectfully submitted,

Daniel A. Sherman
President
