Re: Letter of Support – Steven L. McDaniel

Dear Ms. Davis,

The Central Chapter of the New York State Building Officials Conference (NYSBOC) is once again pleased to endorse Mr. Steven McDaniel for the position of Director at Large of the ICC Board of Directors.

Steve has served as the president of NYSBOC and has been the driving force for Code Development for Region VI and the NYSBOC membership. Repeatedly Steve has proven his leadership and loyalty to our cause. His tireless efforts and numerous hours to educate and advise on the past and current code cycles have made New York one of the leaders in code development.

Steve continues to show his commitment to the building codes profession and to the ICC through his service and has devoted his efforts to moving the ICC forward in meeting the challenges of ensuring building safety.

We firmly believe that Steve has the dedication required to continue to serve as a Director on the ICC Board of Directors and to ensure that the ICC continues to be the leader in Code Development and Building Safety.

Please accept this letter as full support and endorsement of the entire membership of the NYSBOC

Respectfully submitted,
