Dear Ms. Chairman and the International Code Council Nominations Committee,

Oregon Permit Technicians Association would like to express the support of Mr. Steve McDaniel to continue his role on the ICC Board of Directors. He is highly qualified and is heavily involved in advancing the Building Safety mission within his region and as part of the ICC Board involvement. Mr. McDaniel has been available to assist PermitTechNations and WICEDs annual Day of Service event for the last several years to help facilitate our growth. We look forward to being able to continue to work with him on behalf of Permit Technicians across the county.

Sincerely,

Michele Linbarger
