Subject: Support for re-election of Steven L. McDaniel, CPCA, for At-Large position

Greetings, Ms. Davis,

The Southern Nevada Chapter of the International Code Council is pleased to endorse Steven L. McDaniel, CPCA, for re-election to the At-Large position on the Board of Directors of the International Code Council.

Mr. McDaniel has been actively involved in the construction industry for more than 25 years and is currently the Building Official for the city of Corning, New York. He has shown his commitment and dedication to the built environment through service in numerous code-related organizations and associations, including many New York State technical committees. This list includes ICBO code development committees and certification committees, ICC Existing Building Code Interpretation Committee, ICC Building Code Action Committee (BCAC). He is a past chair of the ICC Existing Building Code Committee and past vice chair of the ICC Building Code Committee. He participates on many national and local committees and assists in State and local code adoption issues.

In 2015, Steven received recognition from the New York State Building Officials for his efforts in code development by awarding him with "Code Official of the Year".

We believe Mr. McDaniel's background, experience and service will contribute significantly to promote the International Code Council's mission.

It is with great enthusiasm that we express our support for Mr. McDaniel for re-election to the At-Large position on the ICC Board of Directors and request that the Nominating Committee nominate Mr. McDaniel for this position.

Sincerely,

Matthew Brewer
SNICC President
