RE: ICC Board Nomination

Dear Chairman Wheeler and Members of the Committee:

As President of Western Washington Chapter of ICC (WWCICC), Chapter of the International Code Council, I am writing in support of Steve McDaniel for election to ICC Board of Directors Director at Large Position at the 2023 Annual Business Meeting in St. Louis, Missouri. His nomination was discussed and approved by the Western Washington Chapter of ICC during our March 2023 executive board meeting and a unanimous consensus was given to support him in this endeavor.

He is a strong leader with excellent organizational and communication skills. As one of only a handful of appointed Directors, he has shown exceptional leadership and added a set of diverse skills to the Board. Mr. McDaniel's resume speaks for itself. Distinguishing himself in the industry and in his roles on the ICC board of directors and committees, through his continuing focus to do what is best for the membership and ICC as an organization. Mr. McDaniel has also shown a longstanding passion for the building codes and the code development process.

Western Washington Chapter of ICC fully supports Mr. McDaniel's service on the ICC Board of Directors because his experience and passion will continue to serve the ICC organization and its membership in the future.

Thank you for your consideration.
Sincerely,
