RE: ICC President Nomination for Stuart Tom

Dear Chair Davis and Members of the Nominating Committee:

As President of the Chemeketa Chapter of ICC I am writing on behalf of our student chapter in support of Stuart Tom for nomination as ICC President at the 2023 Annual Business Meeting. Stuart Tom’s nomination was discussed by the Chemeketa Chapter. Unanimous consensus was given to support Stuart in his bid for election. We support Stuart for the following reasons:

- Stuart has provided leadership on the ICC Board in various leadership capacities which has positively influenced the direction of ICC.
- Stuart has a strong background as a Building Official and is very knowledgeable in a variety of codes that contribute to our built environment.
- He has developed training resources and has a vision that includes training the next generation which aligns with the mission of Chemeketa’s Building Inspection Technology Program.

The Chemeketa Chapter of ICC is led and organized by students. We learn leadership and networking skills as we pursue a 2-year AAS degree in Building Inspection Technology. Training the next generation of code professionals is something Stuart is passionate about and he has demonstrated as an ICC Board Member. We strongly and enthusiastically support Stuart’s candidacy for President of ICC.

Respectfully,

Haylie Black, Chemeketa Chapter ICC President 2023/2024
