Dear Chairman Tom and Nominating Committee,

The North Texas Chapter of the International Code Council has received numerous requests for letters of support from ICC candidates for the upcoming election in Cleveland, Ohio. It is our desire to select the very best candidate(s) that we feel are best suited to build on the success of previous leaders and to continue to ensure our organization remains second to none in the industry. After careful deliberation and discussion, we would like to express our strong support for the following slate of candidates;

- | | |
|------------------|-----------------------------|
| • Michael Savage | Secretary/Treasurer |
| • Rachel Parrish | Director at Large |
| • Jack Applegate | Director at Large |
| • Ben Pothoff | Section B Director at Large |

We believe their collective experience, proven track records, and unwavering commitment to public safety will bring significant value to the ICC Board. Their leadership will help ensure that the Council continues to thrive in its mission of safeguarding communities through the development, adoption, and advancement of model codes and standards.
