Mr. Jay Elbettar, ICC Past President, 2019 ICC Nominating Committee Chairman

Re: Letter of intent to run for Section C of the ICC Board of Directors

Mr. Jay Elbettar

This letter is to inform you of my intent to seek re-election to the section C seat of the Board of Directors for the International Code Council. I have served the last three years in this seat and seek to continue service for another term. I have worked hard to educate myself on the issue to make the decisions that best served the membership of the organization and hope to be able to continue to do so.

I believe that I have not only helped push for resources for the membership to raise their profile and increase professionalism in our industry but worked to move ICC forward toward achieving the Vision 2020 and the ICC mission statement to create the best products and services to make sure ICC continues to be the leader in building safety guidelines.

I look forward to the opportunity to run for re-election for the section C seat of the ICC Board of Directors.

Thank you for your time in this matter,

Sincerely,
