

ICC OFF-SITE AND MODULAR CONSTRUCTION STANDARDS COMMITTEE (IS-OSMC)

The tenth public teleconference meeting of the ICC Off-Site and Modular Construction Standards Committee will be held September 30, 2020 remotely via WebEx. **Meeting originally scheduled for Sept 2 has been postponed.**

- MEETING NOTICE -

**Teleconference Meeting
Wednesday, Sept 30, 2020, 11:00 am-1:00pm CT**

The purpose for this meeting is for the IS-OSMC committee to consider:

- Progress on public comments submitted to date.
- Creation of a project team with the secretariat to review submitted proposals and comments.

An agenda will be posted on the [IS-OSMC website](#) prior to each meeting.

This meeting is open to the public.

If you plan on attending, please contact Karl Aittaniemi, Committee Secretariat for call in information. Agendas, meeting minutes, meeting materials and all other documents can be found on the [IS-OSMC website](#).

The scope of the IS-OSMC committee is to create American National Standards ICC 1200 and ICC 1205 to provide minimum requirements to safeguard the public health, safety, general welfare and address societal and industry challenges in multiple facets of the off-site construction process including: planning, designing, fabricating, transporting, regulating and assembling commercial and residential building elements. These Standards are intended for adoption by government agencies and organizations for use in conjunction with model codes to achieve uniformity in the planning, designing, fabricating, transporting, regulating and assembling commercial and residential building elements of off-site and modular construction.
