

ICC IS-LOG STRUCTURE CONSENSUS COMMITTEE

The second meeting of the
ICC Consensus Committee on Log Structures
will be held July 14, 2017.

- MEETING NOTICE -

The meeting will be held Friday, July 14, 2017, as a telephone conference.

The telephone conference will begin at 10am Central Time
and will last approximately 3 hours.

The purpose for this telephone conference is for the IS-LOG committee to consider public input
that has been submitted to the First Draft of the ICC 400-2017 standard, dated April 2017.

The tentative agenda will be posted on the ICC website at <http://www.iccsafe.org/codes-tech-support/codes/code-development-process/standards-development/is-log/>.

The Consensus Committee on Log Structures (IS-LOG) shall have primary responsibility for
minimum requirements to safeguard the public health, safety and general welfare through design,
construction, and installation requirements for log structures. The requirements contained in the
International Codes pertaining to these situations shall be incorporated into the standards
developed by the IS-LOG CC.

All meetings are open to the public.

If you plan on attending the telephone conference, please contact Edward Wirtschoreck,
Committee Secretary, for the required dial-in information.
