Re: Letter of Support for Andre Jaen

Dear Chairman Spencer and ICC Nominating Committee:

The ICC Region XI Board of Directors would like to express our support for Andre Jaen for the position of Section C Director for the International Code Council Board of Directors. During his first term, Director Jaen has shown dedication to serve and proven his commitment at the local, regional, and national level. We especially appreciate his involvement in the Four Corners region through participation in our meeting, in-person attendance at our annual meeting, and continual advocacy for members and member chapters. If reelected to the board we believe he will continue to provide the highest level of service to the members and support the efforts of the International Code Council to provide the highest quality codes, standards and services for the safety and welfare of all people in the built environment.

Respectfully,

Bonnie Muhigirwa
President
