- WHEREAS,** these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, work, play and learn; and
- WHEREAS,** these modern building codes include safeguards to protect the public from hazards such as hurricanes, tornadoes, wildland fires, floods, and earthquakes; and
- WHEREAS,** “Game On,” the theme for Building Safety Month 2025, encourages us all to raise awareness about building safety on a personal, local, and global scale; and
- WHEREAS,** each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience, and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus, and federal agencies in protecting lives and property;
