

1 **NYE COUNTY PROCLAMATION NO. P2025-02**

2 **A PROCLAMATION IN SUPPORT OF MAY 2025 AS BUILDING SAFETY MONTH**

3 WHEREAS, Nye County is committed to recognizing that our growth and strength depends on
4 the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when
5 disasters strike, and;

6 WHEREAS, our confidence in the resilience of these buildings that make up our community is
7 achieved through the devotion of vigilant guardians—building safety and fire prevention officials,
8 architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the
9 construction industry—who work year-round to ensure the safe construction of buildings, and;

10 WHEREAS, these guardians are dedicated members of the International Code Council, a
11 nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the
12 built environment to create and implement the highest-quality codes to protect us in the buildings where
13 we live, learn, work and play, and;

14 WHEREAS, these modern building codes include safeguards to protect the public from hazards
15 such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes, and;

16 WHEREAS, Building Safety Month is sponsored by the International Code Council to remind
17 the public about the critical role of our communities' largely unknown protectors of public safety—our
18 local code officials—who assure us of safe, sustainable and affordable buildings that are essential to our
19 prosperity, and;

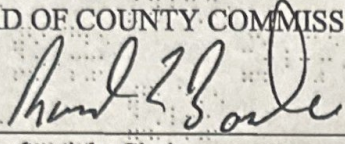

20 WHEREAS, Game On!," the theme for Building Safety Month 2025, encourages us all to get
21 involved and raise awareness about building safety on a personal, local and global scale, and;

22 Whereas each year, in observance of Building Safety Month, people all over the world are asked
23 to consider the commitment to improve building safety, resilience and economic investment at home and
24 in the community, and to acknowledge the essential service provided to all of us by local, state, tribal,
25 territorial, and federal building safety and fire prevention departments, in protecting lives and property.

1 NOW THEREFORE, we the Nye County Board of County Commissioners, do hereby proclaim
2 the month of May 2025 Building Safety Month: Accordingly, we encourage our citizens of Nye County
3 to join us as we participate in Building Safety Month activities.
