

City of Pleasant Hill

Proclamation

WHEREAS, our Jurisdiction is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings, and infrastructure, both for everyday life and when disasters strike; and

WHEREAS, our confidence in the resilience of these buildings, that make up our community, is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings; and

WHEREAS, these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes and standards to protect us in the buildings where we live, learn, work, and play; and

WHEREAS, these modern building codes and standards include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquakes; and

WHEREAS, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our code officials—who assure us of safe, sustainable, and affordable buildings that are essential to our prosperity; and

WHEREAS, "Game On!," the theme for Building Safety Month 2025, encourages us all to get involved and raise awareness about building safety on a personal, local, and global scale; and

WHEREAS, each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment, at home and in the community, and to acknowledge the essential service provided to all of us by local, state, tribal, territorial, and federal building safety and fire prevention departments, in protecting lives and property.

NOW, THEREFORE, I, SUE NOACK, Mayor of the City of Pleasant Hill, on behalf of the City Council, do hereby proclaim the month of May 2025 as

"BUILDING SAFETY MONTH"

in the CITY OF PLEASANT HILL, and I encourage our citizens to join us as we participate in Building Safety Month activities.
