

PROCLAMATION

WHEREAS, Georgetown is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when disasters strike; and

WHEREAS, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings; and

WHEREAS, these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes and standards to protect us in the buildings where we live, learn, work and play, protecting the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes; and

WHEREAS, "Game On!," the theme for Building Safety Month 2025, encourages us all to get involved and raise awareness about building safety on a personal, local and global scale, and to remind the public about the critical role of our communities' largely unknown protectors of public safety—our code officials—who assure us of safe, sustainable and affordable buildings; and

WHEREAS, each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by building safety and fire prevention departments, in protecting lives and property.

NOW, THEREFORE, I, JOSH SCHROEDER, MAYOR OF THE CITY OF GEORGETOWN, TEXAS

do hereby proclaim May 2025 as

NATIONAL BUILDING SAFETY MONTH

in Georgetown.

MAYOR

Rolyn Densmore
ATTEST: CITY SECRETARY
