

City of Lake Mary, Florida
Office of the Mayor

PROCLAMATION

- Whereas,** Lake Mary is committed to recognizing that our growth and strength depends on the safety and essential role of our homes, buildings and infrastructure, both in everyday life and when disasters strike; and
- Whereas,** our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians, building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry who work year-round to ensure the safe construction of buildings; and
- Whereas,** these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the build environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work and play; and
- Whereas,** Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety – our local code officials, who assure us of safe, sustainable and affordable buildings that are essential to our prosperity; and
- Whereas,** each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in their communities, as well as acknowledge the essential services provided to all of us by local and state building departments, fire prevention bureaus, and federal agencies.

NOW, THEREFORE, through the authority vested in me as Mayor of the City of Lake Mary, Florida, I, David J. Mealor, do hereby proclaim the month of May as:

“Building Safety Month”

Duly proclaimed this 15th day of May 2025.

CITY OF LAKE MARY, FLORIDA

DAVID J. MEALOR, MAYOR
