

## PROCLAMATION

**WHEREAS**, our City is committed to recognizing that our growth and strength depend on the safety and essential role our homes, buildings, and infrastructure play, both in everyday life and when disasters strike, and;

**WHEREAS**, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers, and others in the construction industry, who work year-round, to ensure the safe construction of buildings, and;

**WHEREAS**, these guardians are dedicated members of the International Code Council (ICC), a nonprofit organization that brings together local, state, territorial, tribal, and federal officials who are experts in the built environment to create and implement the highest-quality codes and standards to protect us in the buildings where we live, learn, work, and play, and;

**WHEREAS**, these modern building codes and standards include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquakes, and;

**WHEREAS**, Building Safety Month is sponsored by ICC to remind the public about the critical role of our communities' largely unknown protectors of public safety—our code officials—who assure us of safe, sustainable, and affordable buildings that are essential to our prosperity, and;

**WHEREAS**, "Built to Last", the theme for Building Safety Month 2026, encourages us all to get involved and raise awareness about building safety on a personal, local, and global scale, and;

**WHEREAS**, each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience, and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local, state, tribal, territorial, and federal building safety and fire prevention departments, in protecting lives and property.

**NOW, THEREFORE I**, Rachel Anderson, Mayor of the City of Sequim and on behalf of the City Council do hereby proclaim the month of May 2026 as Building Safety Month, and encourage our residents to join us as we recognize the important role of building safety and fire prevention professionals in protecting lives and property, strengthening community resilience, and helping ensure the safety of our homes, workplaces, and public spaces.

Signed on this 27<sup>th</sup> day of April 2026.

A handwritten signature in blue ink, appearing to read "Rachel Anderson".
