

## PROCLAMATION

**WHEREAS**, Mount Dora is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when disasters strike, and;

**WHEREAS**, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

**WHEREAS**, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable and affordable buildings that are essential to our prosperity, and;

**WHEREAS**, "*Built to Last*" the theme for Building Safety Month 2026, encourages us all to raise awareness about the importance of building codes in ensuring safety in the spaces we live, work, play, and learn.
